

PROSPECTIVE PRODUCT CONTENT LABEL (2011)

This is a renewable energy certificate (REC) product. For every unit of renewable electricity generated, an equivalent amount of RECs is produced. The purchase of RECs supports renewable electricity generation, which helps reduce conventional electricity generation in the region where the renewable generator is located. You will continue to receive a separate electricity bill from your utility.

The product is sold in blocks of 1,000 kilowatt-hours (kWh). The product will be made up of the following renewable resources.

North American Power presents

Green-e Energy Certified New2 Renewables in American Wind

Wind	100%	Multiple States
Geothermal	-	
Eligible hydroelectric ³	-	
Solar	-	
Biomass	-	
TOTAL	100%	

1. Actual figures may vary according to resource availability. We will annually report to you the actual resource mix of the RECs you purchased during the preceding year.

2. New Renewables come from generation facilities that first began commercial operation on or after January 1, 1997.

3. Eligible hydroelectric facilities are defined in the Green-e Energy National Standard (http://www.green-e.org/getcert_re_stan.shtml) and include facilities certified by the Low Impact Hydropower Institute (LIHI) (www.lowimpacthydro.org); facilities that are run-of-the-river hydropower facilities with a total rated nameplate capacity equal to or less than 5 MW; and facilities comprised of a turbine in a pipeline or a turbine in an irrigation canal.

For comparison, the average (2002-2006) mix of energy sources supplying the US includes: Coal (49%), Nuclear (20%), Oil (3%), Natural Gas (18%), Large Hydroelectric (7%), Other Fossil (1%), and Renewables (2%). (from U.S. Department of Energy/Energy Information Administration)

The average home in the United States uses 900 kWh per month. [Source: U.S. EPA]

For specific information about this REC product, please contact North American Power, 1-888-744-2446, www.napower.com

Green-e Energy certifies that American Wind meets the minimum environmental and consumer protection standards established by the non-profit Center for Resource Solutions. For more information on Green-e Energy certification requirements, call 1-888-63-GREEN or log on to www.green-e.org. PRICE: The price of American Wind™ is \$19.50 per month for 1 Renewable Energy Certificate.
